

Getting Started

How do I cancel my current phone provider ?

- We'll make it as easy as possible for you.
- Zonitel will contact your provider and make the transfer in your behalf while you continue to run your business.
- If there is a termination fee Zonitel will cover it for you up to \$500.
- Don't stay with your current provider just because you don't have time to switch, we'll take care of everything for you.
